AMAZING! We booked a private chef, murder mystery, dance class, cocktail making and a butler for my sisters hen party. Alex and the team were so helpful and quick to respond with my many questions :). Every supplier went above and beyond to make sure we got the most out of the activities. The hen and all the girls had the best weekend ever and would 100% use this company again. Thanks again!

I used Event Concierge to organise my husband's 50th Birthday for our events in November 24. We had axe throwing, a 3 course meal and a murder mystery. All went smoothly. Communication was excellent when I needed to ask a question. The events were great! They organised everything and took and took the pressure off me. Thank you.
